This is a great song off a super album which I just bought.

There is just one progression throughout, played at different speeds for the verse and chorus:

```
E-----|
B-----|
G---4-----|
D---4---4---6---7---|
A---2---4---6---7---|
E-----2---4---5---|
      B   F#  G#  A
```

```
E-----|
B-----|
G-----|
D-----|
A--1s2-2-2-2-----0-2-----0-2-(4x, then)--2-----0-2--|
E-----0-2-----0-2-----2-4-----|
```

Lyrics:

She s been told so many different things, she just don t know what she believes. It all makes sense at the time, but don t forget that we are blind. When the obvious is real, she still ignores the way she feels. You can jump sit or stand around, but not for long unless you re found. Jesus Christ, God, Son and Sacrifice, believe in him, he ll open up your eyes. . .

That s it! I hope you like it, please e-mail me with any comments,
