It s that time again

Em

D

The show has now come to an end

C

It s time to go home

G

Where are my friends

D

Cause it s that time

G

Yeah it s that time again

C

Let s jump into the car

G

And get out on the road

D

Turn up your favorite songs on the radio

C

Stay out all night long

G

Where are my friends

D

Cause it s that time

G

Yeah it s that time again

C

These are the memories

G

That we ll take to the grave

D

No one can deny or take them away

C

The only place to go

G

D

To get the music into your soul

C G D

And no one wants to go home

C G D

No one wants to go home

Yeah it s that time again

C

The city lights illuminate

G

The sparkle in your eyes

D

I saw you on the street

And now I realize

C

If it wasn t for this band

G

If it wasn t for this show

D

We never would ve met

C G D

We never would ve ever known

C G D

We never would ve ever known
