[Lyrics]

All I ever needed was to eat popcorn with you,
 Come on over,
 Watch the late show,
 Stay up talking until two

Today s the day you re leaving,
 And tomorrow you ll be gone
 You re in my heart and on my mind,
 I will bring you along

Everything sucks when you re gone,
 Everything sucks when you re gone

A dream of our reunion makes me crazy just to think,
 How so very far away you are,
 My hope begins to sink

Today s the day you re leaving,
And tomorrow you ll be gone
You re in my heart and on my mind,
I will bring you along

Everything sucks when you re gone,
Everything sucks when you re gone

It s not ok,
I ve baked dinner here for two,
And it s not ok,
I ve got candles lit for you,
And It s not ok,
I ve got you re favorite records out,
And it s not ok,
You should have let it be,
And ran after me

Today s the day you re leaving,
And tomorrow you ll be gone
You re in my heart and on my mind,
I will bring you along

Everything sucks when you re gone,
(I want you! I need you!)
Everything sucks when you re gone
(I want you! I need you!) [x2]
