Lyrics

They guarantee our freedom
 But freedom isn t real
 Unless you know christ
 You won t know how I feel
 Infections of the way, things were supposed to be
 The mental disorder of society

False finite ways of thinking
 False fiction they re beleiving
 Entropy is still promoting chaos
 It s chaos, it s your loss
 Maybe the world has stopped thinking
 Maybe all their minds are shrinking
 Your failed system is including chaos
 It s chaos, it s your loss

Building, moving forward, never looking back
 Taking what the world has offered
 But you forgot to pack
 Common sense, logic, science
 A humble self-esteem
 Live to die, and die to gain
 Abort the selfish scene
