Letra:

Some people say that I threw my brain away,
that I m illogical and don t have much to say.
Some people say that it s foolish to believe
in what we cannot see, so we re deceived.

All that I can do is listen to you.
All that you can be is empty, you ll see.

and Every single time that I
explain to you my reasons why
you turn away, you close your eyes
and then you cut me down to size.

Some people say that I threw my vote away
the moment I decided to live life this way.
Some people say that it s foolish to believe
in what we cannot see, so we re deceived.

I m not here to make you all agree
but have you truly studied this historically?

All that I can do is listen to you.
All that you can be is empty, you ll see.

Every single time that I

explain to you my reasons why
you turn away, you close your eyes
and then you cut me down to size.

Every single time that I
explain to you my reasons why
don t know where you close your mind
your heart s just not prepared to find
some meaning, some meaning....

Just wait and listen to that voice.
It calls so quietly
for you to make a choice,
What will it be?
What will it be?

Every single time that I
explain to you my reasons why
you turn away, you close your eyes
and then you cut me down to size.

Every single time that I
explain to you my reasons why
I don t know where you close your mind.
Your heart s just not prepared to find
some meaning. Some meaning.
