

## Quit Your Life

Mxxpx

Verse

I ve been everywhere around the world

And finally here tonight

You seem to be the only one

To make me feel alright

I feel good

When I know you re coming down

I feel good

When I know you ll be around

Chorus

So quit your life And stay with me

We ll order in and watch TV. We ll paint the house

And wash the car. We ll take a walk

But not too far

So quit your life And stay with me
