AI---7-7-----7--7-----7--9---  
EI-----7---  
Play that part four times

E                    A                    E, A, E  
I dont want this responsibility  
E                    A                    E, A  
And dont use me because i dont agree

B            A            E, A, E  
Why lie, do or die  
B            A  
Why lie, do or

E                    A            B  
Responsibility?    whats that  
E                    A            B  
Responsibility?    not quite yet  
E                    A            B  
Responsibility?    whats that  
C#  
I dont wanna think about it  
A                    A                    E, A, E  
Wed be beter off with out it

E                    A                    E, A, E  
You think Im so simplistic  
E                    A                    E, A  
Im on to you and your tricks

B            A            E, A, E  
Why lie, do or die  
B            A  
Why lie, do or

E                    A            B  
Responsibility?    whats that  
E                    A            B  
Responsibility?    not quite yet  
E                    A            B  
Responsibility?    whats that

C#  
I dont wanna think about it  
A B  
Wed be beter off with out it

E C#  
Im still young and Id like to stay that way  
B A E, B

Cause growing up wont make everything ok  
E C#  
Im still young and Id like to stay that way  
B A  
Ive got a voice and ive got a lot say  
E A B  
Ive got a lot to say

E, B
