

Sometimes You Have to Ask Yourself

Mxpx

intro: **E B C C# D Ab A**

E **A**
Never quite just knew how to get it through
C# **A** **B**
the utilitarian, sloganeerian minds
E **A** **B**
and it s time to stand up and redefine the lines

Right Now!!

E A C# A B

E **A**
Compartmentalizing, isn t realizing
B **Ab** **A**
because it s not affecting change in the real world
E **A**
So get on with your life, and get over mine
B **Ab** **A** **B**
There s only one world but there s many different tastes

E **A**
So enjoy, don t employ your state
C# **B**
Common goals, communicate to contemplate
E **A**
the way things are and why
C# **C B**
don t pawn the status quo problems off--on the other guy

E A C# A B (repeat)
E A C# A E B A (ring on)

Guitar*

While Bass Plays:

A **B**
You re a celebrity in your own world
C# **E**
Catch phrases only catching cobb webs
A **B**
Spiritualized capital gain and wealth
C# **C#**
isn t the means to the end, isn t the end itself
