E|-----|
```

C                      G                      A

It breaks my heart, it makes me sad

F                      C

To think of all the times we had

G                      A

You made me laugh and you make me cry

F                      C      G      A      F

And all that I can do is sigh

C      G      A      F

and wonder why

A

How will I get through tomorrow,

F

If I can t make it through today?

C

How will I get through tomorrow,

G

when today is in my way?

C G A G C G A G

Today is in my way.

C, G, A, F

C G A

What s done is done and in the past

F C

good things come and go so fast

G A

You looked up at me and said goodbye

F C G A F

All that I could do was sigh

C G A F

and wonder why

(Nessa parte eh soh tocar C)

I deserve all that I get

Serves me right I will admit

and today just won't go away
