Intro: **D#5, A#5, C5, G5, G#5, A5, A#5**

Verse:

D#5 **G#5**
There's something crazy, something strange about the way Im lazy
A#5 **C5**
and how I go about giving my time and how I reason. Do all my
G#5 A#5 D#5
problems have to do with how I reason? Dont feel bad if you
G#5
havent figured out cause im not mad there's really no need to
A#5 **C5**
shout. There's really no way you could have estimated that you
G#5 A#5
would ever in your life be so frustrated.

Chorus:

G5 **C5** **G#5**
If you know what was good for you you'd lock me up throw away the
A#5 **G5** **C5** **G#5**
key. You dont need me no you never will. You never did as far as
A#5
I can tell.

Verse #2:

E5 **G#5**
Should I wake up and explain myself to you? Or should I not care
A#5
and sleep the whole day through? Finding the sense in everything

C5 **G#5** **A#5** **E5**
is like going through my head to find a diamond ring. Living day
G#5
by day is all that I can say. Something someone to believe in
A#5
might be the other way. We cant know for sure until we open the
C5 **G#5** **A#5**
door. Inherent choices, choices I cant take anymore.

[Chorus]

Interlude- **E5, G#5, A#5**

[Chorus]

Outro- Same as Intro
