TAB by Jon Eyre, scuw5@central.sussex.ac.uk

DISCLAIMER: This is by no means perfect...

To achieve a sound similar to that on Loveless, take the following tab, add an Akai S9000 sampler, a load of compression, reverb and sundry other effects, drums, bass, vocals, mix it in a pot, garnish lightly with overdubs and and cook for 40 minutes at gas mark 6...

VERSE

The basic riff, which appears in the intro, and I suppose ought to be called the verse:

CHORUS

By process of elimination, this bit must be the chorus. It s the bit with vocals over the top of chord changes:

Which isn t actually a flute, but either a sampled guitar or voice...

Make of that what you will. If anyone out there has *ANY* MBV tab, puhhh-leeea-ssse-eee send me a copy. Cheers.
