My Chemical Romance

D# B F# A# (x2)

D#

If all the enemies threw a party,

B

Would you light the candles,

A#

Would you drink the wine,

While watching television,

D#

Watch the animals

B

and all the tragedies,

A#

And sell your arteries

to buy my casket.

D#

It better be black,

B

It better be tight,

A#

It better be just my size,

D

I m stuck in these metromalls

B

A#

And airport halls and all these schoolgirls,

B

F#

I m not asking, you re not telling

B

C#

D

He s not dead it only looks that way,

F#

D# F#

Iâ€™m nowhere, take me out there

D#

B

Far away and save me from my

E

F

Self destruction, hopeless for ya,

B

C#

D

Sing a song for california

E (x2)

D

I bought my enemies rope to hang me,

B

And knives to stab me,

F#

A#

you can watch them stab me on your television,

D

B

F#

Stop the halls because I bash walls would have a lot to say

A#

About the lives you're putting down

D

It better be white

B

It better be cut,

A#

It better be just my size

D

B

Until them capillaries burst of boredom

A#

I ll be waiting

B

I m not laughing,

F#

You re not joking,

B

C#

D

I m not dead I only dress that way.

F#

D# F#

I'm nowhere, take me out there
