

Bulletproof Heart
My Chemical Romance

D **Bm**
Gravity, don't mean too much to me
G
I'm who I've got to be
A **A7**
These pigs are after me, after you
Bm **D**
Run away like it was yesterday
G
And we could run away
Bb **C** **D**
If we could run away, run away from here

D
I got a bulletproof heart
G **A** **D**
You got a hollow-point smile
G **A** **Bm**
Me and your runaway scars
G **A** **D**
Got a photograph dream on the getaway mile

D
Let's blow a hole in this town
G **A** **D**
Too much talking with a laser blade
G **A** **Bm** **G**
Gunning out of this place in a bullet's embrace
A **D**
Then we'll do it again

Bm
How can they say?
G **A** **Bm**
Jenny could you come back home?
G **A** **Bm**
Cause everybody knows you don't
G **A**
Ever wanna come back
Bm **A**
Let me be the one to save you
