

**Cemetery Drive**  
**My Chemical Romance**

Verso 1:

**A**  
This night  
**F#m**  
Walk the dead  
**C#m B A F#m**  
In a solitary style and crash the cemetery gates  
**C#m B**  
In the dress your husband hates

**A**  
Way down  
**F#m**  
Mark the grave  
**C#m B A F#m**  
Where the searchlights find us drinking by the mausoleum door  
**C#m B**  
And they found you on the bathroom floor

Refrão:

**F#m**  
I miss you  
**E C#m B**  
I miss you so far  
**A F#m C#m B**  
And the collision of your kiss that made it so hard

Verso 2:

**A**  
Back home  
**F#m**  
Off the run  
**C#m B A F#m**  
Singing songs that make you slit your wrists it isn't that much fun  
**C#m B**  
Staring down a loaded gun

**A**  
So I won't stop dying  
**F#m**  
Won't stop lying  
**C#m B A F#m**  
If you want, I'll keep on crying. Did you get what you deserve?  
**C#m B**  
Is this what you always want me for?
