

Fake Your Death
My Chemical Romance

Intro: **G D Em D G C**

G
Some people watch
D Em D
Some people pray
G D C
But even lights can fade away
G
Some people hope
D Em D
Some people pay
G C
But why do we have to stay

G D Em D
Cos even heroes get the blues
G D C
Or any misery you choose
G
You like to watch
D Em D
We like to use
G D C
And we were born to lose

Chorus:

Am G
I choose defeat
D
I walk away
G G/F# Em
And leave this place the same today
Am
Some like to sleep
G D
We like to play
G D G C
Just look at all that pain
G D
You want the heart
Em
And to be saved
D G D C
But even good guys still get paid
G D

So watch my back

Em

and keep the blade

D G D Em

I think it got you laid

G D

So fake your death

Em

or its your blame

D G D C
And leave the lights on when you stay

G Em

Take off your clothes

D Em

And dream that fame

G C

Come on and feel that shame

Chorus:

Am G

I choose defeat

D

I walk away

G G/F# Em

And leave this place the same today

Am

Some like to sleep

G D

We like to play

G D G C

Just look at all that pain

G Em

Just look at all that pain x3

G Em

Just give me all that pain x3

Chorus:

Am G

I choose defeat

D

I walk away

G G/F# Em

And leave this place the same today

Am

Some like to sleep

G D

We like to play

G D G C

Just look at all that pain

Am G

I choose defeat

D

I walk away

G

G/F#

Em

And leave this place the same today

Am

Some like to sleep

G

D

We like to play
