Intro: C Am G F G

Verso:

Well when you go
so never think i ll make you try to stay
and maybe when you get back
I ll be off to find another way
And after all this time that you still owe
you re still the good for nothing i don t know
so take your gloves and get out, better get out
while you can

Refrão:

When you go
would you even turn to say
i don t love you
like i did
yesterday

Verso:

sometimes i cry so hard from pleading
so sick and tired of all the needless beating
but baby when they knock you down and out
it s where you oughta stay
and after all the blood that you still owe
another dollar s just another blow
so fix your eyes and get up, better get up
while you can
