

Kill All Your Friends
My Chemical Romance

Verse 1:

Well you can hide a lot about yourself,
G D/F#

But honey, what re you gonna do?
Em C G

And you can sleep in a coffin,
G D/F#

But the past ain t through with you.
Em C G

Cause we are all a bunch of liars.
G D/F#

Tell me, baby, who do you wanna be?
Em C G

And we are all about to sell it,
G D/F#

Cause it s tragic with a capital T.
Em C G

Let it be, Let it be, Let it be!
G

Cause we all wanna party when the funeral ends.
C D G

(Ba-ba-ba, ba-ba-ba)
Bm

And we all get together when we bury our friends.
C D G

(Ba-ba-ba, ba-ba-ba)
Bm

It s been eight bitter years since I ve been seeing your face.
C D G

(Ba-ba-ba, ba-ba-ba)
Bm

And you re walking away, and I will die in this place.
C D G

Verse 2:

Sometimes you scrape and sink so low,
G D/F#

I m shocked at what you re capable of.
Em C G

And if this is a coronation,
G D/F# Em

I ain t feeling the love.
C G

G D/F#

Cause we are all a bunch of animals
Em **C** **G**
That never paid attention in school.
G **D/F#**
So tell me all about your problems;
Em **C** **G**
I was killing before killing was cool.
G
You re so cool, You re so cool, So cool!

C **D** **G**
Cause we all wanna party when the funeral ends.
Bm
(Ba-ba-ba, ba-ba-ba)
C **D** **G**
And we all get together when we bury our friends.
Bm
(Ba-ba-ba, ba-ba-ba)
C **D** **G**
It s been eight bitter years since I ve been seeing your face.
Bm
(Ba-ba-ba, ba-ba-ba)
C **D** **G**
And you re walking away, and I will die in this place.

Verse 3:

G
You ll never take me alive.
D
You ll never take me alive.
C
Do what it takes to survive,
Bm
Cause I m still here.
G
You ll never get me alive.
D
You ll never take me alive.
C
Do what it takes to survive,
Bm
And I m still here.
G
You ll never take me alive.
D
You ll never get me alive.
C
Do what it takes to survive,
Bm
And I m still here.

G

You ll never get me.
