(refrão)

**G** **D** **Em**  
Sing it for the boys, sing it for the girls

Every time that you lose it sing it for the world **C**

**G** **D**  
Sing it from the heart, sing it til you re nuts

Sing it out for the ones that ll hate your guts  
Sing it for the deaf, sing it for the blind  
Sing about everyone that you left behind  
Sing it for the world, sing it for the world  
(ponte)  
Cleaned up, corporation progress  
Dying in the process  
Children that can talk about it  
Living on the railway  
People moving sideways  
Sell it til your last days  
Buy yourself the motivation  
Generation nothing,  
Nothing but a dead scene  
Product of a white dream  
I am not the singer that you wanted but a dancer  
I refuse to answer, talk about the past and  
Rooting for the ones that want to get away.  
Keep running  
(refrão)  
Sing it for the boys, sing it for the girls  
Every time that you lose it sing it for the world  
Sing it from the heart, sing it til you re nuts  
Sing it out for the ones that ll hate your guts  
Sing it for the deaf, sing it for the blind  
Sing about everyone that you left behind

Sing it for the world, sing it for the world

**C**

We ve got to see what tomorrow brings

**D**

**Em**

Sing it for the world, sing it for the world

**C**

Yeah, you got to be what tomorrow needs

**D**

**Em**

Sing it for the world, sing it for the world
