Can you catch me when I m fallin down?

Am **Em**
I ll control the moment if you try to make the most of this,

Am **Em**
And could you always call me when you maybe walk away.

G **D** **Em** **Am**
Would you stay right here then I ll tell you that someone out there loves you?

G **D** **Em** **Am**
If you stay right here then I ll tell you that someone out there loves you
Em
after all.

Am **Em**
Sometimes these things can always be so small,

Am **Am**
And sometimes you could live and I can all the time to catch this phrase and

G **D** **Em** **Am**
And would you stay right here then I ll tell you that someone out there loves
you?

G **D** **Em** **Am**
If you stay right here then I ll tell you that someone out there loves you.

Is there no one, no one out there?

G **D**
Is there no one like you to share?

Am **Em**
But would you ask yourself, would you ask yourself?

G **D** **Am** **Em**
Stay!

G **D** **Em** **Am**
And would you stay right here then I ll tell you that someone out there loves

you?

G **D** **Em** **Am**
And would you stay right here, stay right here, stay right here, stay right
G
