Everyone's a passenger tonight,  
Eb F#  
Just another accident,  
B G#  
Well on the freeway of this life.  
F# C# Eb  
We'll drive on, and on, and on, and on.  
F# C#  
We'll drive on, and on, and on  
Eb F#  
I'll remember this night when you're gone,  
C#  
You surrender your heart,  
Eb  
I surrender every dream,  
Eb  
Every weapon you've got,  
B  
Every secret that I keep,  
C#  
You can fight this all you want,  
G#  
But tonight belongs to

Eb F# B G#  
Just another surgery tonight,  
Eb F#  
Well if you amputate the loneliness,  
B G#  
Let anesthesia dim the lights.  
F# C# B  
So dream on, and on, and on, and on.  
F# C#  
So dream on, and on, and on  
B  
And I'll remember your eyes

**F#**  
 When youâ€™re gone,

 You surrender your heart,  
**Eb**  
 I surrender every dream,  
**Eb**

**F#**  
 And Iâ€™ll watch you in your sleep  
**B**  
 Cos tonight belongs to me  
**C#**  
 You can fight this all you want,  
**G#**  
 But tonight belongs to.

**F#**  
 Sparks against the railing,  
**F#**  
 Distant phantoms swelling.  
**B**  
 Who the windshields selling  
**C#**  
 With these airbags failing.

**F#**  
 Now,  
**C#**  
 You surrender your heart,  
**Eb**  
 I surrender every dream,  
**Eb**  
 Every weapon youâ€™ve got,

 Every secret that I keep,  
**C#**  
 You can fight this all you want,  
**Eb** **F#**  
 But tonight belongs to me  
**B**  
 And Iâ€™ll watch you in your sleep,  
**C#**  
 You can fight this all you want,
