Vampires Will Never Hurt You by My Chemical Romance  
Tabbed by saintjimmy9999

[Verse]

**Emin**                    **D**                    **C**                    **D#**  
And if they get me and the sun goes down into the ground  
**Emin**                    **D**                    **C**                    **D#**  
And if they get me take this spike to my heart and  
**Emin**                    **D**                    **C**                    **D#**  
And if they get me and the sun goes down  
**Emin**                    **D**                    **C**                    **D#**  
And if they get me take this spike and  
**D#**  
You put the spike in my heart

**Emin**                    **D**                    **C**                    **D# C B (x2)**

**Emin**                    **D**                    **C**                    **D#**  
And if the sun comes up will it tear the skin right off our bones  
**Emin**                    **D**                    **C**                    **D#**  
And then as razor sharp white teeth rip out our necks I saw you there  
**Emin**                    **D**  
Someone get me to the doctor, someone get me to a church  
**C**                    **D#**  
Where they can pump this venom gaping hole  
**Emin**                    **D**                    **C**  
And you must keep your soul like a secret in your throat  
**D#**  
And if they come and get me  
**D#**  
What if you put the spike in my heart

**Emin**                    **D**                    **C**                    **D# C B**

[Verse]

**Emin**                    **D**                    **C**                    **D# C B (x2)**  
And if they get me and the sun goes down  
**Emin**                    **D**                    **C**                    **D#**  
And if they get me take this spike and

(Come on!)

**Emin**    **A#**    **F#**

[Chorus]

**F#** **G**  
Can you take this spike?

**D#**  
Will it fill our hearts with thoughts of endless

**Emin A# F#**  
Night time sky?

**G**  
Can you take this spike?

**A D#**  
Will it wash away this jet black feeling?

[Verse]

**Emin D C D#**  
And now the nightclub sets the stage for this they come in pairs she said

**Emin D C D#**  
We ll shoot back holy water like cheap whiskey they re always there

**Emin D**  
Someone get me to the doctor, and someone call the nurse

**C D#**  
And someone buy me roses, and someone burned the church

**Emin D**  
We re hanging out with corpses, and driving in this hearse

**C D#**  
And someone save my soul tonight, please save my soul

**Emin A# F#**

[Chorus]

**F# G**  
Can you take this spike?

**D#**  
Will it fill our hearts with thoughts of endless

**Emin A# F#**  
Night time sky?

**G**  
Can you take this spike?

**A D#**  
Will it wash away this jet black feeling?

**B**  
(Let s go! Come on!)

[Bridge]

**B A G**  
And as these days watch over time, and as these days watch over time

**Emin**  
And as these days watch over us tonight

[x2]

**B** **A**  
I ll never let them, I ll never let them

**G** **Emin**  
I ll never let them hurt you not tonight

**B** **A**  
I ll never let them, I can t forget them

**G** **Emin**  
I ll never let them hurt you, I promise

**B** **A** **G**  
Struck down, before our prime  
**Emin**  
Before, you got off the floor

[Chorus]

**B** **A** **G** **Emin**  
Can you stake my heart? Can you stake my heart?

**B** **A** **G** **Emin**  
Can you stake my heart? Can you stake my heart?

(And these thoughts of endless night

bring us back into the light

and this venom from my heart)

[Chorus]

**B** **A** **G** **Emin**  
Can you stake my heart? Can you stake my heart?

(And these thoughts of endless night

bring us back into the light

kill this venom from my heart)

**B** **A** **G** **Emin**  
Can you stake me before the sun goes down?
