Bm G
So where did you sleep the night before?
I doubt that your phone was dying
I m supposed to believe that is what you wore
Said you were alone, I don t buy it

A
Now I can t stay

Bm G
Surrounded by every lie that won t come true
Now you wanna take the time but why would you
Think you re gonna make it right but how could you
D A Bm
So I can t stay, surrounded by every lie

Bm G
You might as well just stop crying
It doesn t mean much to me anymore
A little too late to start trying
I m taking this love off of life support
A
Now I can t stay

Bm G
Surrounded by every lie that won t come true
Now you wanna take the time but why would you
Think you re gonna make it right but how could you
D A Bm
So I can t stay, surrounded by every lie

Bm G
Surrounded by every lie that won t come true
Now you wanna take the time but why would you
Think you re gonna make it right but how could you
D A Bm
So I can t stay, surrounded by every lie

G A Bm D
Trying to undo the love that I m tied to
G A
Who haven t you lied to

 Bm G
Surrounded by every lie that won t come true
Now you wanna take the time but why would you
Think you re gonna make it right but how could you
 D A Bm
So I can t stay, surrounded by every lie
