**My Darkest Days**

**E**            **G**            **E**            **G**  
Kelly won t kiss my friend Cassandra  
**E**            **G**            **E**  
Jessica won t play ball  
**E**            **G**            **E**            **G**  
Mandy won t share her friend Miranda  
          **E**            **G**            **E**  
Doesn t anybody live at all  
**E**            **G**            **E**            **G**  
Amanda won t leave me empty handed  
          **E**            **G**            **E**  
Got her number from a bathroom stall  
**E**            **G**            **E**            **G**  
Brandy just got way too much baggage  
          **E**            **G**            **E**  
And that shit just gets old

**A**  
But I got a girl who can put on a show  
**A**                            **B**  
The dollar decides how far you can go

**G**  
She wraps those hands around that pole  
**G**  
She licks those lips and off we go  
**G**  
She takes it off nice and slow  
          **A**            **G**            **F#** **E**  
Cause that s porn star dancing

**G**  
She don t play nice, she makes me beg  
**G**  
She drops that dress around her legs  
**G**  
And I m sittin right by the stage  
          **A**            **G**            **F#** **E**  
For this porn star dancing

**A**                            **C**  
Your body s lightin up the room  
          **A**                            **C**  
And I want a naughty girl like you  
**A**                            **G**  
There s nothing harder

**A**            **G**            **F#** **E**

**E** **G** **E** **G**  
Stacy s gonna save herself for marriage  
**E** **G** **E**  
But that s just not my style  
**E** **G** **E** **G**  
She s got a pair that s nice to stare at  
**E** **G** **E**  
But I want Girls Gone Wild

**A**  
Well I know a place where there s always a show  
**A** **B**  
The dollar decides how far you can go
