

Patience And Silence

My Epic

C **C/B** **C**
Iâ€™ve never had the spine I lead them to believe, the devil born in me feeds
C/B
me lies.

C **C/B** **C**
He creeps into my mind and spreads confusion until
C/B **Am**
Iâ€™m left with fear of what could be and doubt of what has been.

G **F**
Truth be told, Iâ€™d rather not know, itâ€™s so much easier to quit, itâ€™s just
so

Am
easy not to care.

G **F**
Truth be told, Iâ€™d rather not go, I want to run away and never come back
again.

Dm **C** **G** **Dm** **C** **G**
If all the world should come against me, Iâ€™d like to think that I could
Dm
stand,

C **G** **Am**
but Iâ€™m not always sure that they donâ€™t have Your hand.

G **Am** **G**
Youâ€™re the only one to fear, because Youâ€™re the only one who loves me as I
Am
Am.

G **Am** **G**
You alone are my Defender. You alone will be my Judge.

Am **G** **Am** **G**
Youâ€™re the only one to fear. (Patience...) Youâ€™re the only one who loves me
Am
as I am. (Silence...)

G **Am** **G**
And You alone are my Defender. (Patience...) You alone will be my Judge.
(Silence...)

C **C/B** **C** **C/B**
Peace be still. Peace be still.
