

**Bittersweet Life**  
**My Favorite Highway**

This is my first tab so bear with me here. I looked everywhere for the chords to this song but I couldn't seem to find them anywhere. So I decided to try to work it out myself, it's definitely not perfect but I wanted to share in case other people were in the same predicament as me. Thanks and Enjoy :)  
No Capo

Intro:

**C Cmaj9 Am Gmaj7** x2

**C**

Lonely, Stubborn and complacent,

**Cmaj9**

You have insisted

On leaving me here,

**Am** **Gmaj7**

Writing the same song

**F**

I started last year.

**C**

Lovely Conjunctions and phrases,

**Cmaj9**

Plays on a few words,

That you never meant.

All of the signals that

You never sent.

It's a bittersweet life,

**Cmaj9**

And it's leaving me a-ok.

**Am**

It's a bittersweet life,

I have loved and lost

**F**

**C**

My heart along the way.

**C**

Maybe I could still hold you,

**Cmaj9**

Or you could call if you feel so inclined.

**Am**

Please take your time

**Gmaj7**

**F**

Locating whatever you're trying to find.

**C**

Maybe it's time to let go,

**Cmaj9**

But I'm too scared

And so unprepared.

**Am**

How do I forget,

**Gmaj7**

**F**

Every moment in time that we shared?

(**F**)

It's a bittersweet life,

**Cmaj9**

I'm calling your bluff,

**Cmaj9**

I have toyed with the idea of burning your stuff.

**Am**

**Gmaj7**

This is so rough,

**Am**

**Cmaj9**

**Am**

And it's as if deserting me wasn't enough.

Well I've had enough,
