

Schwester Im Spiegel  
My Friend Skeleton

[Intro]

**Am Am Am E**

[Verse]

**Am**

Hello, dear sister, I just wanted to know

**E**

What is it that your glance aims to show?

**Am**

Delusions of pain? (no, that can't be)

**Am**

**E**

Dreams turning insane? (that is what I see)

**Am**

Hello, dear sister, I just wanted to ask

**E**

What's that on your face? What kind of mask?

**Am**

A great shattered smile? (is it for me?)

**E**

Charade or fragile? (what would it be?)

[Instrumental]

**Dm Am E Am**

[Verse]

**Am**

Sweetheart, dear sister, I still can't figure out

**E**

This dress made of scars, what's that all about?

**Am**

You're running away (it's of no use)

**E**

Ensnared in decay (dismiss your refuse)

**Am**

Sweetheart, dear sister, I still cannot forget

**E**

When you brought me here, did you regret?

**Am**

A moment of pain (you were alone)

**E**
