

Bermuda Highway
My Morning Jacket

Tuning: standard, capo 1st fret

This is just the chords, you can work out the picking by listening to the track but I can't quite get the timing right... (if anyone has any suggestions let me know!!)

[Intro]

C, with an occasional

```
e|----3---0-----1---0---|
B|-----|
G|-----|
D|-----|
A|-----|
E|-----|
```

on the first string; this pattern is also repeated after each chorus and at the end of the second verse.

[Verse 1]

C
Sometimes I walk around town looking at faces,
Em **F** **G**
Wonderin why their bodies go to silly places.
C
Walkin past the carpet mills, looking in and takin stills,
Em **F** **G**
Your ass it draws me in like a Bermuda highway.

[Chorus]

Em **F** **C** **Am**
Oh, don't carve me out, don't let your silly dreams, fall in between,
G **F** **C**
The crack of the bed and the wall, oh oh oh

[Verse 2]

(same as verse 1)

Two times I fell asleep in a dirty basement,
