[Verse 1]

**G** **Bm** **C** **G**  
Daybreak. nightfall. long as I believe  
**C** **G**  
There ain't nothing glowin like this skin you're showin  
**Am** **D**  
And the keys you gave to me  
**G** **Bm** **C** **G**  
Nightjails. poolhalls. some things are everywhere  
**C** **G**  
So for the past I'm diggin a grave so big,  
**Am** **D**  
It will swallow up the sea

[Chorus]

**Am** **D** **G** **E7**  
Oh I know... that it's easy...  
**Am** **D** **G**  
There's no trouble waitin for me

[Verse 2]

**G** **Bm** **C** **G**  
Dancefloors. headlights. in my blood there's gasoline  
**C** **G**  
For an urban boy on a dirty tour  
**Am** **D**  
I never felt so clean  
**G** **Bm** **C** **G**  
Loaded questions in an automatic world  
**C** **G**  
You just won't be seein the things you need,  
**Am** **D**  
As if you thought you would

[Chorus] x2

**Am** **D** **G** **E7**  
Oh I know... it's never easy...  
**Am** **D** **G**  
There's no trouble waitin for me
