

Lead Me Father
My Morning Jacket

[G]

When my [G]hands are [D]tired

And my [G]step is slow

Walk [C]beside me and give me the [G]strength to go

Fill my [C]veins with your courage so the [G]fear wonâ€™t [Em]show

Pick me [D]up when I stumble so the [C]world wonâ€™t [G]know

[C]Lead me Father with the [G]staff of life

[C]Give me the strength for a [D]song

[C]May the words I sing

[G]My own strings ring [Em]

To [D]help some oh troubled, weary [C]worker [G]along

When my [G]way is [D]light but [G]I canâ€™t see

May the [C]strong hand strike out the [G]blindness in me

Show me [C]words that I shall carry [G]on for [Em]thee

Make my [D]way straight and narrow like you [C]want me to [G]be
