

**Old Sept Blues**  
**My Morning Jacket**

Old Sept Blues by My Morning Jacket.

Standard Tuning: EADGBe

Chords:

**A** (022200)

**D** (232000)

**Dm** (132000)

**Bm** (234422)

**E** (001220)

Verse

**A** **D Dm**  
All alone at the end of the day  
**A** **D Dm**  
as the tide turns and hits the bay  
**A** **D Dm**  
it was always good to hear you say

Chorus

**Bm** **E**  
You never were a drawback  
**Bm** **E**  
You always were an asset  
**Bm** **E**  
No you never were a drawback  
**Bm E x 3**  
then repeat verse and chorus

You can fiddle about at the end just picking the notes of the chorus, works pretty well hammering (2h3p2)the B string on the Bm

Enjoy,
