

Sooner

My Morning Jacket

Sooner

**F** **C**  
Started early in the morning  
**F** **C**  
get up way before the sun  
**F** **C**  
Flowing lights the city bustles  
**F** **C**  
and to he grins for everyone  
**F** **C**  
To carry little Jim to his savior  
**F** **C**  
take him slowly to the shore  
**F** **C**  
In my eyes they show the loveliness  
**F** **C**  
brings me back to you somehow

Chorus:

**F** **C**  
Sooner or later they come to see you  
**F** **C**  
feel you power in the early sun  
**F** **C**  
All your days that keep you moving  
**F** **C**  
quick as lightning theyâ€™ll be gone

**F** **C**  
I know the soul needs winding kindness  
**F** **C**  
I know the eye needs lots of fun  
**F** **C**  
I know these things will come to see you  
**F** **C**  
To prove itâ€™s true Iâ€™ll tell everyone

Chorus: (x2)

**F** **C**  
Sooner or later Iâ€™ll come to see you  
**F** **C**  
feel your power in the early sun  
**F** **C**

To all your days we should blindly

<b>F</b>	<b>C</b>
all the evil in the world
