

Sooner

My Morning Jacket

Sooner

F **C**
Started early in the morning
F **C**
get up way before the sun
F **C**
Flowing lights the city bustles
F **C**
and to he grins for everyone
F **C**
To carry little Jim to his savior
F **C**
take him slowly to the shore
F **C**
In my eyes they show the loveliness
F **C**
brings me back to you somehow

Chorus:

F **C**
Sooner or later they come to see you
F **C**
feel you power in the early sun
F **C**
All your days that keep you moving
F **C**
quick as lightning theyâ€™ll be gone

F **C**
I know the soul needs winding kindness
F **C**
I know the eye needs lots of fun
F **C**
I know these things will come to see you
F **C**
To prove itâ€™s true Iâ€™ll tell everyone

Chorus: (x2)

F **C**
Sooner or later Iâ€™ll come to see you
F **C**
feel your power in the early sun
F **C**

To all your days we should blindly

F **C**

all the evil in the world
