The Bear

Capo 1

**G**                      **C**    **G**  
Bad idea to go down to the pier by your self after dark

**G**                                      **C**  
Bad idea cause they re down on their luck and they ve lost touch with their  
**G**  
bleeding hearts

**G**                                      **C**    **G**  
Bad idea cause I ve felt that way and I know I shouldn t have gone

**G**                                      **C**    **G**  
Time is near to come forward with whatever killed your spark

**G**                      **C**                      **G**  
There s still time for you

**C**    **G**  
to change your mind or whatever else you do

**G**                      **C**                                      **G**  
There s still time                      whoaaaa

**F**                                      **G**  
Forever...                      oh (x5)
