Tabbed : March 1, 2005

Chords used:

Chord diagrams for G5, Am7, CM7, and D9. Each diagram shows a vertical representation of a guitar fretboard with strings and fret numbers.

Chord diagrams for GM7, CM5, and D5. Each diagram shows a vertical representation of a guitar fretboard with strings and fret numbers.

Verse 1:

When I feel what I feel

Sometimes it s hard to tell you so

You may not be in the mood to learn what you think you know

There are times when I find

You want to keep yourself from me

Am7 D9 GM7

When I don't have the strength; I'm just a mirror to what I see  
CHORUS:

**Am7** **Bm7**  
But at your best you are love

**Am7** **Bm7**  
You're a positive motivating force within my life

**Am7** **Bm7** **D9**  
Should you ever feel the need to wonder why

**G5** **CM5-D5**  
Let me know, let me know. . .

Instrumental: **G5-CM5-D5**

VERSE 2: DO verse 1 chords

**CM7** **Am7**  
When you feel what you feel

**Bm7**  
Oh, how hard for me to understand

**Am7** **D9** **GM7**  
So many things have happened before this love affair began

**CM7** **Am7**  
But when you feel, oh, like I feel

**Bm7**  
Confusion can give way to doubt

**Am7** **D9**  
And there are times when I fall short of what I say,

**GM7**  
what I say I'm all about, all about

(Repeat chorus)
