Verse 1: **D9-A2-F#msus-E**

(The same chords throughout the song except for refrain)

You ve got a fast car
I want a ticket to anywhere
Maybe we can make a deal
Maybe together we can get somewhere
Any place is better
Starting from zero got nothing to lose
Maybe we ll make something
Me myself I ve got nothing to prove

Verse 2: **D9-A2-F#msus-E**

You ve got a fast car

I ve got a plan to get us out of here
Been working at the convenience store
Managed to save just a little bit of money
Wonâ€™t have to drive too far
Just cross the border and into the city
You and I can both get jobs
And finally see what it means to be living.

Verse 3:**D9-A2-F#msus-E**

You see my old man s got a problem
He live with the bottle, that s the way it is
He says his body s too old for working
I say his body s too young to look like his
My mama went off and left him
She wanted more from life than he could give
I said somebody s got to take care of him
I quit school and that s what I did.

Verse 4:**D9-A2-F#msus-E**

You ve got a fast car
But is it fast enough so we can fly away?
We gotta make a decision
We leave tonight or live and die this way

Refrain:

So remember when we were driving, driving in your car

Now I work in the market as a checkout boy
I know things will get better
You ll find work and I ll get promoted
We ll move out of the shelter
Buy a bigger house and live in the suburbs

And I ve got a job that pays all our bills
You stay out drinking late at the bar
See more of your friends than you do of your kids
I d always hoped for better
Thought maybe together you and me would find it
I got no plans and I ainâ€™t going nowhere
So take your fast car and keep on driving
