Intro: **D-G-D-G**

D **Em**
I play a good game, But not good as you

F#m **G**
I can be a little cold, But you can be so cruel

(Do Stanza Chords)
I m not made of brick, I m not made of stone
But I had you fooled enough, To take me on

A **Bm**
If love was war, it s you who has won

C **G**
While I was confessing it, You held your tongue

Em **A**
Now the damage is done...

Chorus:

Em
Well, there s blood in these veins

A **F#m** **Bm**
And I cry when in pain, I m only human on the inside

G **Em**
And if looks and deceive, Make it had to believe

A
I m only human on the inside

(Do Stanza Chords)

I thought you'd come through
I thought you'd come clean
You were the best thing I should never have seen

(Do Pre-Chorus Chords)

But you go to extremes
You push me too far
Then you keep going till you break my heart
Yeah, you break my heart

Chorus: 2: (do Chorus chords)

See I bleed and I bruise
Oh, But what's it to you
I'm only human on the inside
And if looks could deceive, Make it hard to believe
I'm only human on the inside, I crash and I burn
Maybe someday you'll learn, I'm only human on the inside
I stumble and fall, baby, under it all
I'm only human on the inside

Adlib: **D-Em-A-F#m-Bm-G-Em-A-**

D-G-D-G

Em G A

And the damage is done...

(Repeat Chorus 1:)

I crash and I burn, Maybe someday you'll learn,

I'm only human on the inside
