

I Miss You
MYMP

Intro: **F#-Fm-Ebm-Ab-Db**

Miss you...

Verse:

Db Cm

Everyday and every night, this

Fm Bb

feeling I d fight

Ab F#

Try as I might but I won t win,

Fm

I surrender,

I d die

Ebm Ab

You are winning here alright

Db Cm

Every morning when the sun

would shine

On me

I d flash a smile but deep inside

I feel so sad and lonely

I need you here and now

Chorus:

I miss you

It s crazy to pretend that

I don t think of you

The more this feeling just

seems to grow

And grow

I miss you

On how much longer can I

hold on to

Maybe you can come and tell

me that you

Miss me too

(Do intro chords)

Miss you...

(Do verse chords)

All I want is this for love to last
forever

You walked away, never came

back, oh I

Tried to recover

I can t bear it boy, alright

When I hear a song that we had
used to
Share
I ll try as I might to hide the tears,
and
When the pain is over
I ll wish that you are near
(Do intro chords)
Miss you...
