Intro: **G#m7-C#m-Ebm-E**(2x)

G#m7 C#m Ebm
Spare a little candle, Save some light for me

G#m7 C#m Ebm E
Figures up ahead, Moving in the trees, White skin in linen

G#m7 E B C#m
Perfume on my wrist, And the full moon that hangs over

E
These dreams in the mist

(DO stanza chords)
Darkness on the edge, Shadows where I stand
I search for the time, On a wath with no hands
I want to see you clearly, Come closer than this

F#
But all I remember, Are the dreams in the mist

Chorus:

B F# E B-E
These dreams go on, When I close my eyes

B F# E B E
Every second of the night, I live another life

B F# E B-E
These dreams that sleep, when it s cold outside

B F# E B E
Every moment I m awake, The further I m away

(DO stanza chords)

Is it cloak and dagger, Could it be spring or fall
I walk without a cut, Through a stained glass wall
Weaker in my eyesight, The candle in my grip
And words that have no form, Are falling from my lips

(Repeat Chorus)

F#

B

There s something out there, I can t resist

F#

E

I need to hide away from the pain

F#

E

There s something out there, I can resist

(Do stanza chords)

The sweetest song is silence, That I ve ever heard
Funny how your feet, In dreams never touch the earth
In a wood full of princes, Freedom is a kiss
But the prince hides his face, from dreams in the mist

(repeat chorus 2x)
