

Bubblegum
Mystery Jets

Verse

Cm G# D# G#
I m always on the outside looking in
Bb
It s where I ve always been
Cm G# D#
But the edge is where all the sparks fly

When the wheel spins
Cm G# D# G#
I swear someone is leaving messages for me
Bb
Under my feet
Cm G# D# G#
In bubblegum on the sidewalks of my street
Cm
On the sidewalks of my street
G# Bb
Cm G# Bb
Cm G# D# G#
Deep down I know I should leave the past behind
Bb
Maybe in time
Cm G# D# G#
If only I could learn to let go of the hand that first held mine

Bridge

Bb
Took a walk down memory lane
Just to see what still remained
Only to find out just about everything had changed
Cm G# Bb x2

D# Bb Cm G#
We will splinter and we will divide
D# Bb Cm G#
We will disappear to two different sides
D# Bb Cm G#

And I hope that the world in which you find

D# Bb Cm G#

Yourself is better than the one you leave behind

Cm G# D# G# Bb

Cm G# D# G#

One day we ll return and we ll take a look around

See the me and you of every town

Cm G# D#

The dreamers who are yet to learn

Spilling their guts down the radio wire

Like preaching to the Christmas choir

But they wouldn t piss on you

Even if you were on fire
