G

There is blood on your hands

C

but I can't bear to see how it hangs

D

Like a millstone round your neck

Slowly dragging you down

G

What is worth fighting for?

C

If not the only one that I adore

D

Sometimes I hear you calling out in the night

G

But it only makes it hurt more

D

C

And I wish I could say I believe this is goodbye

G

But I don't, no I don't

D

C

If you think running away from how you feel inside will make it easier

G

Well it won't, no it won't

G

I hear the bell in the tower

C

And though the song it sings is not ours

D

The notes they dance upon the wind

I know they'll reach you somehow

G

Come here and lie by my side

C

Let me wipe those tears from your eyes

D

Though it might be for the last time

G

I know a love like ours will never die

D

And I wish I could stay

C

I believe this is goodbye

G

But I don't, no I don't
