

Luminescence
Mystery Jets

Intro: C Ab

Dm C
So here we are once again, yeah
Ab Ab Dm C
Different but your luminous, effervescent color still remains
Ab Dm C
And I know we still share the same
Ab Dm C
Crimson colored, poisonous blood in our veins
Gm Ab C
You still swim around the canals in my head like cocaine
Ab Dm C
And yes it feels good but not half as it would had you stayed
Gm Ab C
But the more that you need it the less that you feel the pain
Ab Dm C
But it s not the coke, it s the lump in my throat that s to blame

Ab Dm C

Ab Dm C
While we ve been hiding out in the dark
Ab Dm C
The bloody consummation of our love has concealed the scars
Ab Dm C
Of where we were once pulled apart
Ab Dm C
An intoxicated magnetism that reignites the old spark
Gm Ab C
You still swim around the canals in my head like cocaine
Ab Dm C
And yes it feels good but not half as it would had you stayed
Gm Ab C
But the more that I need it the less that I feel the pain

Ab Dm C
Each day older I get I step closer to forgetting your name
Ab
But I won t
Dm
No, I won t
C
I won t
