Mystery Jets

Hi guys. My second Mystery Jets Tab. Sorry if there are any mistakes but it seems okay to me. Enjoy! :)

There s an invisible line where your body

Em

meets mine and crossing it feels like a drug,

D C

We twist and we turn, we crackle and burn

∑m (

In the flickering flames of our love

D (

It s one so divine, it sends shivers up my spine

Em G

and boils and bubbles in my blood

C

Cause when you come around the house at night darling,

There s just one thing I want to do

Yeah, when you come around the house at night darling

C

There s just one thing I wanna do

G Bm C

All I wanna do is melt, melt, melt, melt into you

G Bm C Cm

Melt, melt, melt into yoooooou

Em

D

I m weak at the knees and the air that I breathe,

Em (

so thick you could cut with a knife,

D C

As time starts to slow, your skin comes aglow

<u>Sm</u> (

and the room becomes flooded with light,

D

When the dream melts away,

C EM G

the lines on your face appear like cracks in the ice
