Mystery Jets

Hi guys. My second Mystery Jets Tab. Sorry if there are any mistakes but it seems okay to me. Enjoy! :)

E **D**
There s an invisible line where your body
F#m **A**
meets mine and crossing it feels like a drug,
E **D**
We twist and we turn, we crackle and burn
F#m **A**
In the flickering flames of our love
E **D**
It s one so divine, it sends shivers up my spine
F#m **A**
and boils and bubbles in my blood

D **E**
Cause when you come around the house at night darling,
D **E**
There s just one thing I want to do
D **E**
Yeah, when you come around the house at night darling
D **E**
There s just one thing I wanna do

A **C#m** **D**
All I wanna do is melt, melt, melt, melt into you
A **C#m** **D** **Dm**
Melt, melt, melt, melt into yooooooooou

F#m

E **D**
I m weak at the knees and the air that I breathe,
F#m **A**
so thick you could cut with a knife,
E **D**
As time starts to slow, your skin comes aglow
F#m **A**
and the room becomes flooded with light,
E
When the dream melts away,
D **F#m** **A**
the lines on your face appear like cracks in the ice

 When you come around the house at night darling,

 There s just one thing I wanna do
