

Show Me The Light
Mystery Jets

First upload, hopefully it helps somebody. Chords for the acoustic guitar part.
Feel free to comment with any corrections.

So here we are in the dark.
B **A** **E**
Don't the day feel like a world apart.
B **C#m** **B** **A**
I start to come undone, when i'm living on the other side of the sun.

G# **A** **B** **E**
Sometimes I feel that it's so, too much to take.
G# **A** **B** **E**
I look in the mirror but don't recognise my face.

E **B** **C#m** **B** **A**
So show me the light, and tell me that things will turn out right.
E **B** **C#m** **B** **A**
It cuts like a knife, when you say things won't turn out right.

[Pause]

E **B** **C#m** **B** **A**
Temptation, my old friend, you've come back to lead me off again.
E **B** **C#m** **B** **A**
If you see me acting strange, you can call but you know i'm out of range.

G# **G** **A** **E**
Sometimes i feel that it's so, too much to take.
G# **G** **A** **E**
But all that just changes when i look upon your face.

E **B** **C#m** **B** **A**
So show me the light, and tell me that things will turn out right.
E **B** **C#m** **B** **A**
Remember the night, how we would hold each other tight.

E **B** **C#m** **A**
We live for today. We ve no way of knowing.

E **B** **C#m** **A**
What tomorrow holds, or where we are going.

E **B** **C#m** **A**
he weather man he says that soon it will be snowing.

E **B** **C#m** **A**
The sky at night is dark, the stars they don t stop glowing.

E **B** **C#m** **B** **A**
So show me the light, and tell me that things will turn out right.
