

The Nothing
Mystery Jets

Intro:

Em G A x2

Verse:

Bm

Oh dear Father where do I begin?

Bm

Father forgive me for my sins

Bm

I m not like all the other people

Bm

E

I was a ruck I was an animal and now I m here

Pre-Chorus

F#

E

For this is just a skin

G

A

A skin that I m living in

D

F#m

And we are as much as a mystery to ourselves

A

as anyone else

D

F#m

We come in every color of the spectrum under the sun

A

Each and every one

F#

E

Bring me back as something beautiful

G

A

Bring me back as something beautiful

Verse:

Bm

I never said I was a fallen angel

Bm

With a halo and a broken wing

Bm

I m not like all the other people

Bm

E

With their skinny coffees and their Nurofen

Pre-Chorus

F#

E

For this is just a skin

G

A

A skin that I m living in

D

F#m

And we are as much as a mystery to ourselves

A

as anyone else

D

F#m

We come in every color of the spectrum under the sun

A

Each and every one

F#

E

Bring me back as something beautiful

G

A

Bring me back as something beautiful

E

G

A

Bring me bring me back as something beautiful (x2) (x5 or whatever)
