[Verse]

(Same as first verse)

She and her friends sit at the back of the bus
But Iâ€™m always to shy to work the courage up
I hear that she likes to dance around the room
To a worn out 12â€™3 of Marquee Moon

[Pre-Chorus]

(Same as first pre chorus)

And maybe I should say Whatâ€™s up?
And buy her a round
Or take her for a spin around the town
Cos when I hear those drums late at night
I know Iâ€™m in love
With a girl who lives

[Chorus]

Two Doors Down

I think Iâ€™m in love with a girl who lives two doors down (3x)
I think Iâ€™m in love .. two doors down
