I never said I was a perfect person

I never mean the things that I say

Or that I do

[Verse 2]

You and I were destined for trouble

**D** **A**

Since you fulfill the right of my life

**B**

Of falling apart

[Chorus 1]

**F#m** **B**

To keep these manners from dying

**G#m** **A**

You know I won't stop trying

**G#m** **B** **E**

How can I change for you

**A** **B** **E**

How can I change for you

[Verse 3]

**E** **A** **C#m**

I always thought that we'd be together

**D** **A**

Driving all through the night

**B**

And ending up nowhere

[Verse 4]

**E** **A** **C#m**

I never thought I could treat you any better

**D** **A**

All the moments fade anyway

**B**

Along in the stay

[Chorus 2]

**F#m** **B**

To keep these manners from dying

**G#m** **A**

You know I won't stop trying

**G#m** **B** **E**

How can I change for you

**A** **B** **E**

How can I change for you

[Chorus 3]

**F#m** **B**

To keep these memories from dying

**G#m** **A**

You know I won't stop trying

**G#m** **B** **E**

How can I change for you

**A** **B** **E**

How can I change for you
