G Em Am
A little too much fun on tour (too much fun on tour...)
F
Lord please help me find my keys
G Em
or I m banging down my own door.
Am F
All the cheering all the applause
G Em

Am F
Now I wouldn t mind finding a real thing
G Em
ready when my bags finally hit the floor.

See I need some kind of lady that will feed me daily
every time I come home she ll be waiting for me.
cuz I been thinking lately that life alone is crazy
I wanna hold somebody when I sleep.
(Aaahhh Ahhh)
Who s gonna be the one to save me?
Will I ever settle down all I do is run around
This is taking too looonnnnggggg.
