

We Dance On
N-Dubz

Chords : **D-A-Bm-G**

Na na naii

Watch me while I stand here

Watch my feet, my stance, my body language

Im not someone to be messed with

Im a fox on a mission

You know youre challenging the best here

Its gonna be real hard

But Im gonna be okay

As long as I try real hard
Im always gonna find my way

Ima find my way

Ima stand up like a soldier

Ima get them til its over

Ill keep marching to the beat

til theres bruises on my feet

Now Im falling to my knees

Cause Im gonna take this all the way

Its now or never

Ill break whats in my way

Ima stand up like a soldier

Tonight Im gonna take over

not sure for that
