Intro: A

A

Well I used to get high

D*

And dance all around the house

A

Cleaning rearranging

D*

While I d let it all out

E4

Those happy times I d say to myself

D

This is it don t stop

E4

All will be well

D

If you only never stop the clock

(A)

A

Gotta learn to cut losses

D*

And recognise new truths

A*

D*

Or you ll never get anywhere that is of any use

E4

Sometimes you can t see the sea

D

Even from the boat

E4

So whatever hints you get

D

You better hurry and take note

(A)

A *

D *

I m here because I knew that this time I d be haunted

A *

D *

Visited by peaceful ghosts who knew what I really wanted

E4

D

Here s hoping I could be you and I make a toast

(A)

A *

D *

I m here because they call it foreign

A *

D *

And I felt so slow but I heard you calling

E4

D

Now you re gone and you re all I want

(A)

Bm

D

I forgot that s what people do

Bm

They pair off two by two

D

D7M

Until one of them turns blue

(A)

A *

D *

Don t have much practice in really needing someone

A *

D *

So I need you to show me how it can be sensibly done

E4

D

Cause I need you like a string needs a kite to get to the sky

(A)

A *

D *

I look for the sound of the wind to put in my headphones

A *

D *

To help these walls dissolve take me to another zone

E4

D

Cause I m an animal and I have one life

E4

D

You re an animal and you have one life
